### RNPS SPORTS NEWS 2023

I have been writing the Sports News now for about 6yrs and have thoroughly enjoyed giving the students the recognition of their achievements in the Newsletter. Sadly my last baby will be leaving for high school next year and I would love to find someone that would be willing to continue with the Sports News. Its every 2 weeks and just snapping some photos when at sporting events, corresponding with teachers for results and popping a small write up on the events and achievements of the students, or running it the way that suits you best.. If anyone is interested I would love for you to reach out so it can be continued in 2023.

### PSSA TRIALS & INFORMATION 2022

#### HAWKESBURY PSSA PARTICIPATION FORM

If you wish your child to compete in any Hawkesbury PSSA throughout 2022 you will need to fill out a Hawkesbury PSSA Participation Form and hand back into our office. If you have not received this note please see Mrs Wilkins in the office.

### PSSA TRIALS

PSSA Trials notes for some particular sports have now been handed out to the students that are interested. Please be sure to get Mr Thurling or the Sports Co-ordinator (Mrs Wilkins) to sign the notes prior to taking the note on the day to hand to the Coach/Sports Convener. Without this permission note your child may not be able to trial on the day.

#### How it works:

The schools in our Hawkesbury District inform the students of the trials available to them by a note in Term 1. A number of our local teachers are assigned a particular sport and run the trials selecting students from our local public schools to form a Hawkesbury Team to represent our District at the Sydney West Competitions in each particular sport.

#### What it involves:

The students' parents are responsible for taking them to and from trials (can be up to 3 trials) in after school hours where they will meet the coach of that team. If the student is selected for the District Team in a particular sport, parents are responsible for their child on competition days (along with the coach assigned to that sport) and also for travel to and from the events

## Good Luck Paycin and Zali!

Paycin and Zali will be playing at the Netball Junior State Title this weekend at Penrith.

We wish them the best of luck.

## Sports Report

### Sydney West PSSA Cross Country

A huge congratulations to our students Kobe and Cooper (Spencer who made it as a reserve) who ran at the Sydney West PSSA Cross Country. You represented RNPS and the Hawkesbury proudly, well done!

which are held in school time. A representative from Sydney West PSSA will be present at these competition days and will then select from all the students competing on that day to form a Regional Team to represent Sydney West at the State Championships.

#### Great Opportunity:

It is a great opportunity for our students to give it a go and possibly get selected to not only represent themselves, Richmond North PS, the Hawkesbury but even maybe their Region and State.

#### What to do next:

If your child is in Yr5 or Yr6, feel they are skilled in one of these particular sports and would like to try out for this team/individual sport please feel free to contact Mrs Wilkins ASAP so I can gather a list of students interested in trialling in 2022 for the below sports and make sure they receive the information required.

It was such a great day!

## Stage 2 International Day

### International Day

On Tuesday Stage 2 students participated in an International Day. We dressed up in costumes or colours of other nations from around the world. We had lots of fun cooking 3 international dishes, sushi, nachos and spaghetti bolognaise.

We did some dances from countries such as China, Russia, Mexico and Ireland. We took a look at some celebrations from around the world such as Diwali, Holi, Hannukah and the Thailand Lantern festival. We had so much fun and we finished the activities with spaghetti for lunch.

We had an amazing day!

## Stage 1 Bubbles

### Making Bubbles in Stage 1

As part of our science unit this term, students in Stage 1 designed, made and tested bubble wands to see if they could successfully make a wand to blow bubbles. What a fantastic job they did!
