Kindergarten Dance and Drama Program

As part of this year's Creative Arts program, all the Kindergarten children have been engaging in a variety of activities in Drama and Dance with Ms. Kane. During Terms 1 and 2, she introduced puppets to help the children build their confidence in speaking and listening. Following that, they participated in movement activities designed to enhance their comfort with performing in front of their peers.

This term, Ms. Kane has taken the program a step further by incorporating dance and drama into different types of music. The children are excited to showcase their talents during the Grandparents and Special Friends Day on 1st November. They will perform a short dance with an olden-day theme, featuring music from popular songs and movies such as "Dizzy," "These Boots Are Made for Walking," "Bonanza," "The Good, The Bad and The Ugly," as well as hits from Elvis, "Live and Let Die," "Buttercup," "The Hillbillies," and "Happy Days."

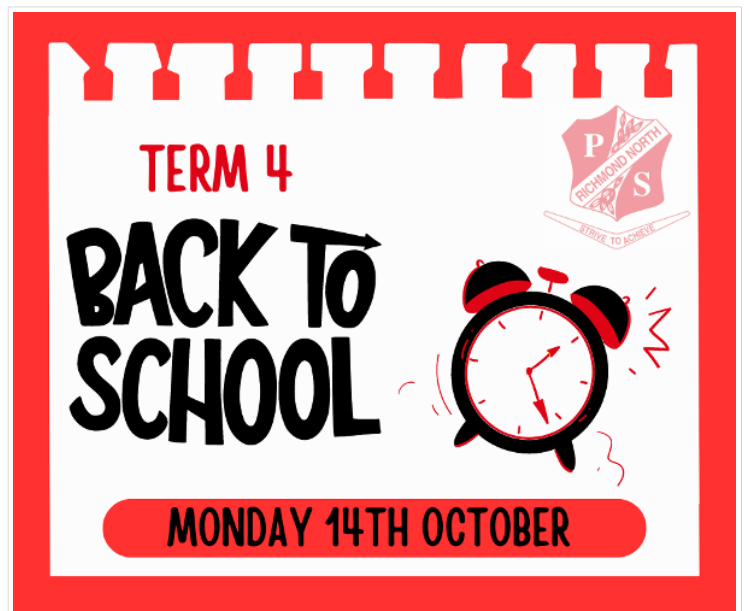

The children have put in a lot of effort this term and eagerly anticipate their dance sessions each week. This performance has not only boosted their confidence in moving to music but has also fostered teamwork and cooperation among them. Most importantly, they are having a lot of fun. They are thrilled about dressing up in costumes for Grandparents Day and can't wait to perform.

Ms. Kane is incredibly proud of each Kindergarten child and their ability to express themselves on stage. The special guests are sure to be entertained. A big thank you to all the parents for their support in providing costumes.

We look forward to seeing everyone on this special day!
